Resumption of Annual Alpha Delta Phi Conventions Held in Ann Arbor in August

Meeting in Ann Arbor, Michigan, the 111th-114th Convention of The Alpha Delta Phi was held from August 3 to August 5, 1946. This meeting marked the resumption of the annual convention policy, and included within itself all business arising during the war years when no conventions were held. Each of the twenty-seven chapters of the fraternity were well-represented by both actives and alumni.

The delegates from the Cornell Chapter were *Alexander W. Dann, Jr. '45*, *Hilary H. Micou, Jr. '46*, and *Ralph C. Ware '48*. Present among the alumni were *Bob Hargreaves '09*, *Bob Vinton '39*, *Herb Micou '15*, and *Ben Micou '16*.

Discussions were held during the convention on the following major issues:

(1) A proposal that steps be taken to increase the number of chapters of Alpha Delta Phi. Present active chapters were advised to investigate universities where new chapters might be established. Two universities sug-

gested for this area were Pennsylvania and Lehigh. Proposed universities would be passed on by the two nearest active chapters, then, after basic organizational ground work was completed, the proposal would be placed before the next Convention for ratification.

(2) It was found that large variation in initiation procedures existed among the chapters. Steps were taken to unify the existing procedures into one standard form.

(3) The new officers of the National Executive Council were elected to replace the retiring officers. They are: President—*Richard L. Greene, Rochester '25*; Vice-president—*Colin W. G. Gibson, Toronto '15*; and Secretary—*Henry A. Perkins, Yale '96*.

(4) *Eric T. King, Jr., Union '42*, was appointed traveling secretary for the Executive Council.

(5) Re-establishment of the chapters made virtually inactive by the war remained the main objective of the Convention. The major part of

Alpha Delt Pledge Seventeen This Fall; 12 Are Freshmen

Chapter Appreciates Alumni Cooperation Which Resulted In Fine Class; Four in Group Are Legacies

Receiving enthusiastic cooperation of many Alpha Delt alumni, not only those of Cornell, but from several other chapters, Alpha Delta Phi pledged one of the finest classes on the Hill this fall to conclude a hectic rushing season.

Expectations are high that the current group, what with the outstanding records made by the men in their scholastic achievements, will greatly aid in raising the scholastic average of the fraternity to the high levels previously attained. Also represented in the class are "white hopes" for almost every sport now played at the university.

Comprising the pledge group are one senior, one junior, three sophomores, and twelve freshmen; four of the class have had members of their families precede them at the house.

Prepared at Culver

James H. Arthur, brother of *Bill Arthur '44*, comes from Meadville, Pa., and prepared for college at Culver Military Academy before coming to Cornell. With the war interrupting his schooling, he served as a captain in the ETO, but now he has entered as a freshman. Jim shows great promise as a crewman. Another crewman is *David Lee Brooke* of Oak Park, Ill. A high school athlete Dave won three varsity soccer letters and was very active in the student council and debating club. *Roger Brown*, Niagara Falls, prior to his entrance to the university, had just received his discharge from the Navy. The senior, *C. Daniel Cornwell*, was in the Navy and operated a radio station in the Hawaiian Islands during the war. From Cedar Rapids, Iowa, Dan was valedictorian of his class in high school and has maintained his good work at Cornell.

Those who remember *Al Entenman '42* will be interested to read that his brother, *Robert John Entenman* is

THE ALPHA DELT

The Cornell Alpha Delt is published regularly during the school year by the Cornell Chapter of Alpha Delta Phi at Cornell University, Ithaca, N. Y. It is published primarily for the alumni to keep them in contact with each other and the chapter.

Alpha Delts Pledge Seventeen

(CONTINUED FROM PAGE 1)

now with us. Bob graduated cum laude last year from the Hill School where he was on the varsity track squad and managed the football team. From Crestwood, N. Y., Bob is interested in both crew and track. *James R. Kennedy, Jr.* was president and valedictorian of his Grosse Pointe, Mich., high school class and should win himself a place on the tennis squad as he was captain of his school team which has been undefeated for five years. From Akron, O., *Frank Knight* prepared for college at Culver where he played varsity football, boxed and edited the year book. Next year Frank plans to go out for the *Cornellian*.

With Marines in China

Having just returned from the marines in China, *Paul Micou* comes back to Cornell as a sophomore. Paul is the son of *H. Herbert Micou '15*, played on the varsity hockey squad at Andover and intends to take up that sport again this winter. If you recall, other Cornell Alpha Delt Micous include *Benjamin H. '16*, *C. M. '18*, and *Hilary H. Jr. '46*. From the Kent school comes *Robert N. Post* who lives in New York City. As senior prefect and vice-president of his class, Bob graduated cum laude and is interested in the crew at Cornell. Two brothers from Milwaukee are *Charles S. Reed*, sophomore, and *Donald A. Reed*, freshman. Chuck was on the track team before enlisting in the Navy and this fall played 150 pound football. Don, too, was in the Navy. Besides helping him talk his way onto the crew his deep bass voice will add considerable volume to the growing Alpha Delt barber shop harmony group.

Richard R. Reid from Mill Neck, Long Island, is a brother of *Nick '46*, who currently is business manager of

the "Widow." Dick prepared for college at Kent School where he was captain of the varsity wrestling team and took an active part in several of the school publications. Dick is out for wrestling and, by taking 12th place in the interfraternity cross country race this fall, assured Alpha Delt Phi of the trophy this year.

Another pair of brothers come from Charleston, West Va. *James Thomas* was in the Army before coming to Cornell, and prior to that had managed the baseball team at Culver. *L. Newton Thomas* also went to Culver where he was on the varsity tennis team and won letters in swimming. Newt is interested in tennis here. After 31 months in the Navy, *Edward T. Turner* is starting in at Cornell as a junior. Ned is from Dayton, Ohio, where he played varsity football and made the honor roll in high school. The pledge class elected Ned as its spokesman and has been more than capable in that capacity.

Another sophomore is *Robert G. Wattles* who was pledged last spring. He plays a good game of golf and hopes to go out for crew next spring. Bob's home town is Buffalo, N. Y. *Charles M. G. Wilder* came from Exeter where he was on the varsity soccer and track teams. Being associate editor of the year book he still found time to win several scholastic honors in mathematics. Chuck's home town is Greenwich, Conn.

We have had the good fortune to pledge a group of men who, we are reasonably certain, will stay in school until they graduate, and, in so doing, will keep Alpha Delta Phi one of the most active houses on the Hill. For this reason, *Jack Cudlip*, rushing chairman, wishes to extend a personal "Thank you" to each of the many alumni from both this and other chapters who did so much to help us with our fall rushing. Your letters of recommendation and your sincere interest in the chapter is more than appreciated by all the active brothers now on the Hill.

Annual Convention

Alpha Delts Make Active Participation In Campus Sports

As in the prewar days the chapter is well represented on the fields of sport. From Schoellkopf to the boat house, from the old armory to the tennis courts, in fact, all over the Hill, Alpha Delts are doing their bit to win victories for the "Big Red."

With twenty-three members taking part in seven major sports, and with many more engaged in intramurals, it would be impossible to list individual activities in detail, but here are the highlights:

If you have attended any Cornell varsity football games this season, or even heard them over your radio, you are well aware of the excellent performances turned in by *Harry Furman*. At first string right tackle Harry has done a lion's share of the work on his side of the line, including the blocking of several punts.

No less than eleven Alpha Delts are out for crew. Headed by "*Chuck*" *Von Wrangell*, who was commodore of the victorious Cornell crew that won the Washington regatta last year the group includes several prewar crewmen — "*Soupie*" *Campbell*, *Pete Clough*, *Pete Allsopp*, and *Bill Arthur* — as well as the freshmen and transfers. Small wonder a Sunday dinner rarely goes by without a rendition of the crew song.

Cornell 1—Pennsylvania 0. That was the score of the Penn varsity soccer game this fall and much of the credit for the victory goes to *Dick Raymond*, an enthusiastic participant in this sport. Dick's love of sport has been an inspiration to all who have come in contact with him. His Model A "Ford," "The Red Rocket", has taken part in all of the pep rallies this year, and thanks to its owner, a great deal of spirit has been worked up for the various athletic events this season.

First meeting *Mike Ware* at the Straight, you would never guess that he has been a letterman ever since he first came to Cornell. Weighing 133 pounds, Mike looks like a typical freshman. His study, however, is adorned with the awards he has won diving for Cornell. In 1945, he won the Central A.A.U. championship in the three meter board class, and placed 15th nationally in the intercollegiate. As number one diver for three years, Mike has won many a point for Cornell's swimming team.

In Memoriam

The following members of Alpha Delta Phi gave their lives in service during the last war:

John Robb '45

Norman B. Bassett '45

Jonathan H. Bullard '42

James S. Hills '46

We would appreciate notification of any other war casualties unknown to us.

We are well represented in other sports, too. *Bill Bromstedt* in track, *Dick Reid* in wrestling, *Jim Kennedy* in tennis — each of these and others are practicing, and helping win contests in their various fields.

November 26th was the big day on the intramural front. Late that rainy afternoon some two hundred entrants lined up for the start of the 2½ mile run over the rigorous Steam Plant cross country course. The Alpha Delts were well represented in that race, both at the start and finish. In fact, with *Newt Hunsberger's* second, *Dick Raymond's* ninth, and *Dick Reid's* twelfth place, we piled up enough points to win the interfraternity trophy.

Mention must be made of "The Green Wave", our mighty touch football team. Managed by *Jack Rasch*, this group won several games by the slim margin of one first down; several more by a greater score. Unfortunately, we also lost a game or two, but thanks to a lot of spirit and our "secret play, "everybody out for a pass", we had a lot of fun and made a creditable record.

There are more we haven't mentioned — some experienced players, others just beginning. It isn't as important, however, that we have one or two varsity stars, as it is that almost everyone is out for something. The Alpha Delts are in there plugging, and as a result, are bringing credit to the university, the fraternity, and themselves.

Hargreaves December Visitor

Bob Hargreaves '09 takes a sincere interest in the new Industrial and Labor Relations School which, as the first of its kind in the country, was founded at Cornell in the fall of 1945.

Bob was a campus visitor for several days the first week of December, discussing several relevant topics with both the faculty of that school and with students.

House Liberally Represented on Hill In Student Activities

Alpha Delt house is well represented on the Hill this fall due to the keen interests of its members in the extra-curricular activities offered.

Outstanding as a tackle on the Big Red football team, *Harry Furman '45* was a line bulwark and played about every minute of each game this fall. When talk got around to good tackles Harry's name always came up. He is also a member of the Student Council and was recently elected to Quill and Dagger.

"*Chuck*" *Von Wrangell*, to be remembered as commodore on last year's crew, was a counselor at the Freshman camp prior to registration this fall.

House president *Glenn Daly '45* was elected secretary-treasure of Majura Noland while *Jack Cudlip '46* and *Bill Arthur '44* were named to Mummy. Also elected to Majura were *Dick Raymond '46* and *Larry Brashears '46*. *Nick Reid '46* was recently made associate business manager of the Cornell Widow, and is also a member of the officer's club.

Two appointments of Alpha Delts to the faculty have been announced. *Jack Eddison '42*, who is resident counselor to the Chapter and a student in the Labor Relations school, was made an instructor in that school while *Julian Smith '41* is an associate professor of Chemical Engineering.

Hendy Riggs '44 and *George Cornell '45* have both entered the field of higher education. Hendy entered Law school this fall and George is at the Medical school in New York City.

Last spring *Ray Tuttle '47*, our steward, was elected to Tau Beta Pi and shares that honor with *Jack Rasch '46* who is now back at the house as a graduate student.

Certainly not to be overlooked in the line of undergraduate activity have been the summer marriages of two Alpha Delts. *Bill Arthur '44* married Anne Draper from Canton, Mass., and *Jim Bryant '46* married June Buning, who came all the way from London, England.

★

A Merry Christmas to each of you from the Active Chapter.

Annual Houseparty Draws Huge Crowd; Highlights Season

With more than one hundred couples in attendance, the first annual fall houseparty since the chapter was reactivated was held the weekend of November 22, 23. Alpha Delta Phi joined with Kappa Alpha and Chi Phi to stage the event.

The occasion got underway Friday, November 22, with a house cocktail party preceding supper. Later that evening an informal dance was held at the Kappa Alpha house. Next morning, in a manner most hard to take, most of us showed up at class, while our dates slept.

Highlighting Saturday afternoon was a treasure hunt with *Pau Micou* '49 wading through enough clues to dig up the treasure — a bottle of scotch. *Newt Hunsberger* '47 was close on Paul's trail and won second prize. Following the hunt the Kappa Alpha's entertained with a cocktail party. The prizes, mentioned above, were awarded the winners at the banquet Saturday night by *Emmett Lynn*.

We were fortunate in getting a band from Ithaca College to play excellent music for our formal dance held Saturday night at the house. With the dance breaking up at 2:00 a.m. everybody joined with the Chi Phi's at their house for a milk punch party to wind up the most enjoyable weekend's activities.

Emmett and Mrs. Lynn, assisted by *Bill Arthur* '44 and his wife, were kind enough to chaperone the parties. We were all glad to welcome *Bob Woods* '44 and *Pete Nevius* '43 at the dance and hope they and many more alumni will join us for Junior Week.

Lost

We are seeking the news address of the following alumni of Alpha Delta Phi for whom recent mail has been returned.

Holland Beeber '25
Robert James McNamara '37
Charles G. Palmer '95
William S. Rockwell '38
Samuel S. Rockwell '37
John G. Dixon '39
John DeWitt '17
Allan G. Patterson '26
Roger G. Nevins '13
Lloyd B. Lovett, Jr. '34
George D. Buckwell '16

News of Alpha Delt Alumni

It has been our pleasure to welcome several alumni who have visited at 777 Stewart this term. And while it is always most pleasant to welcome alumni in person we are always glad to hear of them.

★

Yale Game Visitors

At the homecoming weekend for the Yale game we were pleased to welcome *George H. Young* '00 who came up from Binghamton and dropped in at the house. Also from Binghamton came *Hank Sexsmith* '25 whose visit was the first in a long time. We hope he can come again soon.

W. G. Packard '11, who has always shown great interest in the active chapter was also a Yale week visitor as were *Warren Tubbs* '36, *Hal Sawyer* '38, *Dick Roenke* '45, and *Seward Baldwin* '28.

★

Mulford at Dartmouth Game

Allan Mulford '15, visiting in Ithaca over the Dartmouth game weekend, stopped off at the house for a short while. He is now vice president of the International General Electric Co., with headquarters in Schenectady. During the war he was located in the company's Washington office handling war contracts.

With "Spike" Mulford now located in Schenectady he has returned to his home at 1053 University Place, Schenectady—Ed.

★

Lewiston Well Represented

Also dropping in at the house after the Dartmouth game were *Jerry Tone* '24, "Woos" *Hooker* '20, and *Ansley Wilcox* '21, all down from Lewiston, N. Y., where they have their homes. It is always good to see them around again because they have always shown such active interest in the house.

★

To Alpha Deltas—Everywhere

If you have gleaned any news of your friends or class-mates from these pages, maybe they would like to hear about you, too. Please drop a postcard, at your convenience, to the editor with news of your Alpha Delt friends and of yourself, and we are certain that future issues will be of increasing interest to you.

Alpha Delt Fathers

Recent additions to the families of Alpha Deltas include: daughter Diana to the family of *John Riggs* '38, on August 8, 1946. On November 6 John's brother, *Hendy Riggs* '44, became the proud father of Katherin. The following day, *Sandy McKenzie* '45 called the house to announce the birth of a son, William H. Jr.

★

Rice's Efforts Appreciated

Paul Rice '25 has paid us frequent visits and we are always glad to see him when he gets the chance to come down from his Trumansburg, N. Y. farm. The chapter wishes to thank Paul for continuing the publication of The Cornell Alpha Delt during the war years, and for his many efforts now as a Corporation Secretary.

★

Mrs. Cornell Visits

Another well-known house visitor has been Mrs. Franklin C. Cornell. Mrs. Cornell always seems to know more Alpha Deltas than any one else in the chapter, and we enjoy seeing here every chance she gets to visit us.

★

Don Alexander

The many friends of *Don Alexander* '14 will be interested to know that he is now vice-president and a director of the Edward G. Budd Mfg. Co. For a long time his home was in Detroit but several years ago he moved to Philadelphia. You may recall that several years ago his first wife died and that not quite two years ago Don married Mrs. Kathleen Hocker from San Antonio.

The address to which we have been sending Don's mail is: 2450 Hunting Park Ave., Philadelphia 32, Pa.—Ed.

* * *

Among the house visitors after the Dartmouth game were *Harris Stanton* '38 and *Morry Bradley* '35.

Changes of Address

Within the past three months we have been notified of the listed changes in address for the following alumni:

Theodore H. Booth '26, 404 N. Maple Ave., Greensburg, Pa.

William G. Luke, Jr. '39, 99 Pelham Road, Rochester 10, N. Y.
